What our clients say (#1)

„He is passionate and knowledgeable about his country that makes the trip even more special. Though cycling trips are his primary focus, hiking, walking, swimming, and other related active pursuits are delivered with ease.

And is always concerned with your enjoyment and safety. He made all arrangements of the trip utilizing and supporting local business and villages. This included visits to vineyards at our request that he sought out in advance. Both exceptional!”

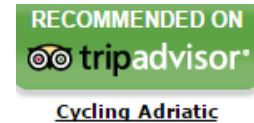

JUDITH A. ZDOBYSZ, ANNAPOLIS, MARYLAND, USA

„Hrvoje’s knowledge of the area and Croatia is excellent and he speaks fluent English. We were impressed with his attention to detail in every aspect of the tour, including e-mailing us photos after the tour. We would love to do a longer cycling tour (for a few days) with him in the future. Truly memorable experience!”

MADA NESTEL, BRIDGEWATER, CANADA

What our clients say (#2)

„Hrvoje was a fantastic tour guide. I’m not a cyclist and our one day 28 mile tour was a blast! It really helped to have someone local in Croatia assist us with recommendations and travel plans- he’s excellent and was a very important part in making our trip wonderful! Thank you!”

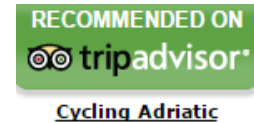

BRANDON TUDOR, WASHINGTON DC, DISTRICT OF COLUMBIA, USA

„The homemade foods were amazing! Something very hard to come by when travelling through cities. Hrvoje also took many photos to make the tour even more memorable .The tour is very adaptable to your interests and fitness levels. We travelled across many different terrains and the whole time Hrvoje had different options on ways to travel based on how i was holding up. I highly recommend this to anyone of any age or fitness level. It is worth doing! Its the type of experience you keep with you.”

TANI PAVIC, BRISBANE, AUSTRALIA,

What our clients say (#3)

„Seven days behind and biking in Croatia on the islands. Your "hotel" is boat and you visit on the islands and bike there.

Your trip starts from Dubrovnik going to the islands Mljet, Hvar, Brac, Korcula and Makarska Riviera, ending via Island Peljesac to Slano or Dubrovnik.

During the trip you enjoy the most beautiful views, mountains, turquoise sea. Hospitality of the crew, breakfast and lunches are great like the extras, BBQ and Captain dinner.

Hvala!”
